

CROSSCALL CORE-X3

STRAIGHT TO THE POINT

Fully waterproof, exceptionally tough and with excellent battery life, the CORE-X3 makes Crosscall performance and reliability accessible to everyone. Its X-LINK™ connector multiplies its capabilities and it benefits from the whole range of CROSSCALL accessories. You always get the most from life, the CORE-X3 is the perfect companion.

WATERPROOF

Waterproof to IP68 and equipped with a Wet Touch screen, the CORE-X3 always remains perfectly functional despite wet environments.

RUGGED

Equipped with full TPU protection and a Gorilla® Glass screen, the Core-X3 resists shocks by absorbing

them.

INDEPENDENCE

The CORE-X3 offers several days of battery life thanks to its 3500 mAh battery, even in intensive use.

ACCESSORIES

The CORE-X3's magnetic connector ensures it is compatible with all X-LINK™ accessories.

REINFORCED FASTENING

The X-BLOCKER included with the CORE-X3 reinforces and secures the X-LINK™ fixing on any support.

ACCESSIBLE

Versatile, resistant and powerful, the Core-X3 has been designed primarily to meet the requirements of the majority of people.
